

SOUTHAMPTON SSAGO DINO RALLY 2016

# BEDROCK BUGLE

18th June 2016

Volume 1, Issue 1

## DINO RALLY GETS OFF TO GREAT START

Despite the weather initially not being able to make up its mind, SSAGO were in high spirits on Friday. For once, a chance to sit on the ground rather than sink into it! In other news, the first batch of turkey dinosaurs have been served. More to come? Let's hope so for Lloyd, who guaranteed it!

## SHEFFIELD HALLAM RECOVER MASCOT IN CONTROVERSIAL MOVE

In a successful attempt to reclaim their mascot Flopsy (gender changed and renamed to Marcus by Manchester), Sheffield Hallam literally lifted it from Manchester in a move described as "controversial". Manchester had this to say "I am very displeased! They forcibly stole Marcus off us" to which Sheffield replied "'Who's Marcus?'".

## STRANGE LIGHT SEEN IN THE SKY

This SSAGO rally has seen many different events to usual, in particular, this strange light which can be seen in the photo to the right. Personally, we don't think it's anything to worry about.

## JURASSIC PARK SCREENING

Come to the Jubilee Centre at 10pm tonight to experience Jurassic Park on the big (ish) screen. We've heard there'll be popcorn...

## Horoscopes

**Sagittarius** - Venus sweeps you away on a tidal wave of love, beginning tonight.

**Capricorn** – The stars and planets will not affect your life in any way but Pluto has it in for you.

**Scorpio** – In 65 million years you will be extinct.

**Cancer** – It's not looking good for you.

## Dino Jokes

**How would you know if a dinosaur was in bed with you?**

I'd be awakened by the dino-snores.

**Did you notice the dinosaur ate the meat raw?**

He didn't know how to barbeque!

## Campfire Review
