Aberystwyth SSAGO club report

Aber SSAGO has been busy helping the local guides with members decorating and serving drinks at the Aberystwyth Guides thinking day service. Whilst links with the scouts have been boosted after a fourth member begun helping out with one the local scout groups.

Aberopoly, a scaled down version of LUUSAGopoly, was as popular as it was on rally so a big thanks to Leeds for the idea. Winning first place in the Aber uni societies quiz was also enjoyable and the cash prize made our treasurer very happy.

The 6 hour hike to Devils Bridge was enjoyed by both members that chose to go. However poor time planning meant we arrived only just before the last train back to Aber and didn't get the chance to enjoy the waterfalls that we went for.
