

## Plymouth SSAGO Club Report - Summer 2014

"Oh I've been in Plym SSAGO for many a year;  
And I've spent all my money on whisky and beer;  
But now that I'm leaving with degrees in great store;  
I'll be chair of Plym SSAGO no never no more.  
And its no, nay, never. No, nay, never no more. I'll be the chair of Plym SSAGO no never no more.

This year was brilliant, one of the best that we've had;  
(Not that I'm saying previous years have been bad);  
We have a great bunch of freshers, PLUGS has grown greatly in size;  
And I'll happily pass on the reigns to these great girls and guys;  
And its no, nay, never. No, nay, never no more. I'll be the chair of Plym SSAGO no never no more.

In the last summer term, our exams got us down;  
But we still found the time for a night on the town;  
Dressed up all fancy for the plugs summer meal;  
A break for revision had quite the appeal;  
And its no, nay, never. No, nay, never no more. I'll be the chair of Plym SSAGO no never no more.

Handover Camp, that was also great fun;  
Camping with friends in the warm summer sun;  
On the Friday, an evening for local beavers we ran;  
Cooking marshmallows on sticks and hot choc in a pan;  
And its no, nay, never. No, nay, never no more. I'll be the chair of Plym SSAGO no never no more.

The rest of the camp was just what you'd think;  
Singing and relaxing with a glass full of drink;  
A chance to unwind after a hard year of work;  
Bromances were formed stronger than JD and Turk;  
And its no, nay, never. No, nay, never no more. I'll be the chair of Plym SSAGO no never no more.

The SU awarded PLUGS silver, in its ICON schemes;  
(Though not many people seem to know what that means);  
Its one step away from the top prize of Gold;  
But with the new committee I'm sure that's down the road;  
And its no, nay, never. No, nay, never no more. I'll be the chair of Plym SSAGO no never no more.

So now it remains, to draw my song to an end;  
And thank my committee for the help they did lend;  
And to all PLUGS members, my thanks too go to them;  
I'll be back as an associate, I'll see you again.  
And its no, nay, never. No, nay, never no more. I'll be the chair of Plym SSAGO no never no more.  
I'll be the chair of Plym SSAGOOOO, no never no moreeee..."
