

Stings Poem

There once was a group of StinGS
They did lots of interesting things
They had a Campfire
The singing was dire
Then they all feasted like Kings
The brownies were provided by Lizzie
The organisation kept us quite busy
They requested Chicago
But we had to say no
The smoke from the fire made us dizzy
Walking weekend was in Conwy
The Bangor bugs came along to Play
it got very cold
and madness took hold
and another mascot came to stay
The Hallam Trophy they helped to run
The scouts all had terrific fun
The look on their faces
as they completed our bases
59th Sheffield won.
The AGM was in gallery eye
to be elected they did all try
A new president
was how the vote went
and when it was over they all did sigh.
Before the exams was a meal
'pon which we feasted with zeal
each house had a course
where we ate like a horse
A great success we all feel.
Two eager StinGS went off too bath rally
twelve hours it took, oh they did dally
On ball they were lost
on account of the cost
I think this reports gone diagonally.
