

SSAGO

Student Scout and Guide Organisation

Information For Explorer Leaders

What Is SSAGO?

The Student Scout and Guide Organisation (SSAGO) brings together students who want to continue or begin their Scouting or Guiding journey while at university.

Open to all higher education students, you don't need to be a member of Scouts to join. You can become part of a local club or join as an independent member.

SSAGO & Scouting

SSAGO and Scouting work together nationally and locally to support young people. Around 66% of our members are involved in Scouting or Guiding. Clubs help students find local groups, start volunteering, and work towards awards such as the King Scout Award and the Duke of Edinburgh's Award. Many clubs also organise events with local Scout and Guide districts, giving members valuable leadership and volunteering experience.

Find Out More

Visit www.ssago.org to learn more about SSAGO, find your nearest club and discover upcoming events.

You can also email pink@ssago.org or follow us on social media to stay up to date.
